

LEGACY SOCIETY

Potomac Conservancy would like to expressly recognize the individuals and families who have made a significant impact through planned and estate gifts in the past year. Their lasting legacy is the gift of clean water and a protected Potomac for future generations.

A special thank you to **John D. and Arlene Gavitt** for the tremendous gift of your beloved North River Retreat property to the Conservancy and our partner the Cacapon & Lost Rivers Land Trust. The subsequent sale of this conservation property yielded more than \$345,000 for each organization, a windfall with which we are forming a special fund for land conservation in the Shenandoah Valley and eastern panhandle of West Virginia. Your legacy will live on in the green hills and clean streams of the Potomac River headwaters forever!
